

Willard Band Booster Club

Welcome to the Willard Band Family!

The Willard Band Booster Club is an organization administered by volunteers. It is made up of families, community members, and friends of Willard Public Schools who are interested in supporting the band programs throughout the district.

We exist for the purpose of:

- Arousing and maintaining enthusiastic interest in the Willard Bands.
- Lending all possible support, both moral and financial, to the band and to encouraging attendance at band activities.
- Cooperating with those in charge of the band, school administration, and the school board to the end that the band be brought to and kept at the highest possible standards of excellence and to build and maintain an organization which will help promote the general activities of the band program.

If you are aware of businesses that might be interested in helping support the band with donations, services, or products, please let us know. We always welcome input and suggestions.

The Band Boosters hold a monthly meeting in the band room on ***the third Monday of each month at 7:00 P.M.*** There is no better way to stay informed and be involved than to attend these monthly meetings. You may also visit the band website at willardband.org for any updates and a calendar of events.

We support a FANTASTIC group of kids, and the appreciation we receive from them is more rewarding than you can imagine. We look forward to your involvement!

Take a look around, catch the pride and spirit of "The Cutting Edge," and then become a part of it.
