FOOD COST FOR THE DAY WILL BE \$10 PER STUDENT

The Band Boosters will always provide food/snacks for the kids at all our marching festivals. It is always great food at a great price. This week students will receive tacos, corn, and dessert for lunch and deli sandwiches, chips and dessert for dinner. We will also have an assortment of snacks. Vegetarian, gluten free, and dairy free options will be available. We will collect the kids' meal money when we leave Willard.

Students must stay with the band all day and are not allowed to leave throughout the day with ANYONE. After the finals awards ceremony and after the trucks are loaded, we will sign-out students. This is a District Policy when it comes to student supervision. Sign-out will happen at Camp Willard. When selecting what to wear when out of uniform, please remember school dress code is ALWAYS in effect. It would be wise to have a change of clothes so you stay comfortable throughout the day. ALWAYS check the weather forecast so you are prepared.

We ask EVERYONE remember what having good sportsmanship is all about. There are 17 bands this weekend and all have worked hard and will be trying to do their best. DO NOT TALK OR BE DISRUPTIVE DURING ANOTHER BAND'S PERFORMANCE. You wouldn't want people doing that to you, so please be respectful of other spectators. If visiting afterward, please be careful what comments you make because you NEVER know who is listening. Applaud and cheer for ALL of the bands because they have all worked very hard on their shows and are as proud of theirs as we are of ours ☺

TICKET PRICES: \$5.00 for adults, \$3.00 for students; children 6 and under are free if accompanied by an adult.

You can stay informed of all band activities by checking email, joining our Remind text messaging service by texting @spy2022 to 81010, checking for Slack messages, and by visiting our band website at willardband.org.
