FOOD COST FOR THE DAY WILL BE \$10 PER STUDENT

The Band Boosters will always provide food/snacks for our members at all our marching festivals. It is always great food at a great price. We will have cheeseburgers with toppings, mac & cheese, and ice cream cups for lunch. For dinner, we will have big breakfast with eggs, sausage, biscuits & gravy, juice, and granola bars. We will also provide snacks throughout the day. In addition, we will have a hydration station on hand. We will collect the members' meal money when we leave Willard.

Students must stay with the band all day and are not allowed to leave throughout the day with ANYONE. This is a District Policy when it comes to student supervision. After the finals awards ceremony and after the trucks are loaded, we will sign-out students. Sign-out will happen at Camp Willard. If you have any questions concerning this process, contact a director.

When selecting what to wear out of uniform, please remember school dress code is ALWAYS in effect. It would be wise to have a change of clothes so you stay comfortable throughout the day. ALWAYS check the weather forecast so you are prepared.

We ask EVERYONE remember what having good sportsmanship is all about. There are 16 bands this weekend and all have worked hard and will be trying to do their best. **DO NOT TALK OR BE DISRUPTIVE DURING ANOTHER BAND'S PERFORMANCE.** You wouldn't want people doing that to you, so please be respectful of other spectators. If visiting afterward, please be careful what comments you make because you NEVER know who is listening. Applaud and cheer for ALL of the bands because they have all worked very hard on their shows and are as proud of theirs as we are of ours ☺

TICKET PRICES: \$7.00 for adults, \$5.00 for students ages 6-17 and children 5 and under are free.

You can stay informed of all band activities by checking email, Slack, joining our Remind text messaging service by texting @spy2022 to 81010, and by visiting our band website at willardband.org.
